

# Connect

## Welcome...

...Select Concepts Connect 17 Newsletter. Hard to believe the end of the tax year is so close. Just a reminder to take advantage of the tax benefits announced last year for asset purchases up to \$20,000. Save on your tax and be the proud owner of a totally portable and Australian made stage system before June 30. Stage podiums come in all shapes and sizes. The combination of stage podium shapes and sizes give stunning visual impact to the Life Church in Parramatta's new stage system. "Guys and Dolls" and other brilliant stage musicals have been bought to life in clever adaptations by Mackay Choral Society utilising multi-level stage configurations. Portable stage systems are finding homes in the corporate world too. MAZDA have installed a bespoke custom shaped stage system in their new Mulgrave Showroom & Auditorium. Read how their corporate requirements are fulfilled. Portable Scenery Panels are a popular problem solver. Check how these simple solutions may save you time and money for a myriad of applications. Enjoy this new Connect Newsletter and we look forward to assisting you with your stage and accessory needs.

## STAND OUT FROM THE CROWD

**Who wants to be the event wall flower? No one!**

So choose an individually designed bespoke Select Concepts stage system to create excitement & life in your performance & event spaces.

Recently we designed a magnificent stage system for The Life Church in Parramatta. This totally portable system may be configured in a myriad of designs – these PILOT stage podiums are in 1x1mtr Squares, 1x1mtr Triangles, 2x1mtr Rectangles – so versatile and stunningly effective!

The QUATTRO Portable Stage System is a stand out crowd pleaser in Mackay. The Mackay Choral Society own a comprehensive range of the portable stage podiums and use

them to excellent effect in their highly entertaining stage shows. The stage work and set design for their production of Guys and Dolls was a great success with the multi-level QUATTRO podiums.

Select Concepts provide a simple & effective event stage solution to account for small spaces, odd shaped spaces or even multi-level spaces and the life time guaranteed stage systems are designed to provide the right event fit.

**Be seen - Be heard – Stand out from the crowd with a Select Concepts bespoke Stage System.**

# Product Spotlight

## PORTABLE SCENERY PANELS

**Portable reusable Scenery Panels are custom made to order for a multitude of performance and event requirements.**

Choose from lightweight plywood Scenery Panels ready to paint and/or cover, or order lightweight plywood Scenery Panels covered in carpet ideal for Velcro or pin attachments. Panels come with optional feet brackets to free stand or choose attachments to secure the Panels to one of Select Concepts Portable Stage Systems.

- Free standing scenery flats for you to add the creative touch.
- Stage Panels with special attachments to secure the Panel to the Stage
- Carpet covered Stage Panels ideal for Velcro attachments – choice of colours
- Raw Plywood Panels – you choose the finish
- Custom Sizes
- Scenery Panels can be stored flat or vertical and reused - helps to reduce storage costs.

**Select Concepts Scenery Panels are versatile to use.**

- Great method for attaching stage scenery
- Notice Boards/ for anything that needs to convey information
- They are extremely versatile for almost anything requiring a backdrop or visual presentation
- Due to the ease of mobility, a stage can be easily transformed between scenes or events by simply rearranging the Scenery Panels.
- Expo/Trade Fair space dividers

## ZOOM! ZOOM!

**BESPOKE STAGE SYSTEM PERFORMS IN THE CORPORATE ARENA**

Select Concepts congratulates Frasers Property Australia (VIC) on their involvement in building MAZDA's new state of the art showroom and conference auditorium in Mulgrave, VIC.

MAZDA's spacious new facility is now the impressive home of a custom designed and manufactured QUATTRO Stage System from Select Concepts. The auditorium's unique wall configurations highlight the bespoke stage system design. The angled rear wall creates a multi-use backdrop to the customised stage panels curved & angled front and rear – a creative functional performance area exactly fitted to the curve of the rear wall. The 400mm high stage podium is manufactured with three recessed access hatches designed to allow access

to the floor boxes housing the electronic componentry installed to service the corporate lecterns. An elegant valance curtain system hides all sub stage wiring and stage frame structure.

MAZDA's design brief requested the stage podium surface blend with the auditorium's carpet flooring. A marine grade matching carpet covers each stage deck and modular stair unit creating a visually elegant meeting, conference and performance area.

Select Concepts wish MAZDA every success on the bespoke QUATTRO Stage System for events and corporate functions in their magnificent showroom and auditorium.
