SELECT CONCEPTS™
PRODUCTS THAT PERFORM

Welcome...

Spring is already half over and Summer is around the corner. Our love of outdoor events and end of year celebrations means now is the time to acquire the perfect stage and seating systems for your requirements. Whether you are a school, council, event and hospitality venue or a hire company, your year-end events always need imaginative and reliable stage solutions.

Select Concepts can take the stress from this year's event organisation. We have some terrific Portable Stage Packages with a FREE Stage Accessory offer to choose from. Totally complete Stage Systems to work within most budgets and requirements from QUATTRO, QUATTRO Fold & Roll and PILOT Stage solutions.

It only seems like yesterday we released our innovative and unique Fold & Roll stage systems from QUATTRO and MELBA. Already these clever mobile stage solutions have found a much needed niche in the Australian event, hospitality and educational industries. They are as simple as 1+2+3 and only require one person to set up and wheel away when not needed. So join the chorus of happy customers and phone our sales team for your free quote.

Most communities rely heavily on their local council to be proactive in the supply of quality Australian made event and performance facilities. Recently Dubbo Regional Council installed our QUATTRO Tiered Seating System in the Western Plains Cultural Centre - an effective portable solution to work with a myriad of community activities.

Most Tiered Seating systems succeed with the Select Concepts Chair Rail safety system. A simple effective rail system designed to work with each of our unique podium aluminium extrusion systems.

Select Concepts wish everyone an excellent end of year event season and look forward to working with you to provide the right Portable Stage Solution.

WESTERN PLAINS CULTURAL CENTRE TIERED SEATING SOLUTION

How simple is it to create a multi-purpose function space which fulfils the needs of both community and council events?

Western Plains Cultural Centre found the answer with a Select Concepts Portable Stage solution! When Dubbo Regional Council set them-selves the goal to "provide modern well equipped venues for clients, with a focus on flexibility and service" they realised they required a simple economic and flexible Tiered Seating System for their Dry Studio to accommodate up to 100 people.

Select Concepts congratulates WPCC for their excellent use of colour and space with the selection of our premier range of QUATTRO Tiered Seating. QUATTRO's portable Tiered Seating system provides this multi-function work space with unlimited seating and event staging options, thereby increasing the community's ability to utilise the space with ease.

Western Plains Cultural Centre Portable Tiered Seating

IT'S AS EASY AS 1-2-3 WITH A SELECT CONCEPTS STAGE SOLUTION.

Event initiatives require space saving user friendly performance and display equipment. The Australian made and guaranteed portable stage solutions from Select Concepts work with the needs of every event organiser.

QUATTRO Fold & Roll Platforms are a simple effective solution for every display, performance or event requirement. Simple as 1, 2, 3 - QUATTRO Fold & Roll performs for you every time.

MELBA Fold & Roll Tiered Platforms, QUATTRO, PILOT or TITAN Portable Stage Systems maximise event spaces indoors or out - add to existing performance equipment or create new innovative Display, Performance and Marketing Solutions specifically designed for safety, reliability, strength, versatility and optimal performance.

Custom design a versatile Stage or Podium system for indoor or outdoor events - add a Disabled Access Ramp; Safety Steps & Rails; Retractable Curtains & Valances; Storage Trolley or Trailer; Adjustable Height Legs; Marine Grade Outdoor Carpet; portable Room Dividers/Scenery Panels; portable Dance Decks; Drama Boxes & Winners Podiums; or a Portable timber or electronic Lecterns.

Event and performance ideas succeed with Select Concepts Portable Stages, Portable Platforms & Accessory Solutions. Just ask us how!

Product Spotlight

SAFETY CHAIR RAILS

In the case of Tiered Seating Stage Systems, Select Concepts provide the safety option of Chair Border Rails. These Chair Border Rails are simply attached to the rear of the QUATTRO or PILOT Stage podium to prevent chairs slipping off the podium and minimising the risk of accidents. For most Tiered Stage Systems with gaps of more than 200mm or if the chairs on the stage have angled legs we recommend the safety option to attach the Chair Rails to each podium.

No Accidents - Chair Rail Accessories

The Chair Safety Rails are manufactured in 1m or 2m sections to securely fit to each of our PILOT or QUATTRO Stage Podiums.

Ask our Sales Team for further information on these excellent safety stage components.

Safety First - Chair Rails
