

Connect

Welcome...

To the first issue of the Select Concepts Newsletter 'Connect' a quarterly update which will inform you of all the latest news and products at Select Concepts. At the beginning of a new year, Select Concepts maintains its commitment to a continuing focus on new and innovative products and customer service. In this edition we showcase two exciting new products – the Stage Back Drop Curtain and AV Electrical. Further information on these products can be found on our website or by contacting a Select Concepts consultant via the details below. We hope you enjoy this issue and we look forward to hearing from you.

An Underwater Performance!

When a large Melbourne Banking & Finance broker firm wanted to celebrate their end-of-year Christmas party in style, they choose the Melbourne Aquarium as their setting.

Select Concepts supplied Staging for the DJ stand as well as a Karaoke platform, providing the perfect solution to a very unique setting! Select Concepts has a large stock of Staging for Hire and our modular system is perfect for both indoor & outdoor applications.

Project Spotlight

Refurbish & Revamp

When a High School decided it was time to revamp their existing built in stage, they called in Select Concepts for advice. They wanted

their stage raised up 460mm, New Stair Access and a fresh new look. The finished result was amazing!

Demountable Theatre

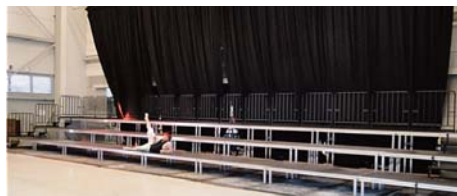

A Primary School was recently provided with a Gymnasium as part of the Building Education Revolution initiative. Select Concepts was contacted by the Project Manager of the job to create a Demountable Theatre that the school could use for Performances but pack away when not in use. This enabled the school to make the full use of their Gymnasium. Custom made to suit the schools colours and requirements, they also

choose to have their school logo embroidered on the Valance Curtain to personalise their Theatre!

Circus Antics

The National Circus Centre held a Festival in September 2011 which required some Tiered Staging for their Performances. They asked Select Concepts to provide a 3 tiered system that was adaptable and easy to use.

Maximise your Stage!

Turn your Stage into Tiered Seating, Tables or Choir Rises! Contact us to receive your free pamphlet on how to make the most of your stage.

Personalise your Stage!

Your Company Logo can be Embroidered or Screen Printed onto the front of your Valance Curtain for a fabulous personalised finish to your Stage. View our website for further information.

New Products

Back Drop Stage Curtain

Now available is the new Demountable Back Drop Stage Curtain that can be added onto most Stage products from Select Concepts. Available in a large range of Colours and Fabrics, it's the perfect solution to create the 'WOW' affect to your stage.

AV Electrical

Select Concepts is committed to providing excellent service and solutions to the theatre production and hire industries. With our suppliers having serviced the electrical industry for well over a decade now, we have direct access to a valuable wealth of knowledge and products to meet the ever increasing needs and demands of the electrical industry.
