

# Connect

## Welcome...

... to the 6th edition of our quarterly Connect Newsletter. The year is just flying past with Easter now behind us.

We are proud to feature one of our March Quattro Stage installations with the Maltese Association. The stage looks permanent with the co-ordinated wood finish but has the added advantage of being completely portable and will use minimal storage area.

With most schools rehearsing their school choir and bands for Anzac Day, Christmas Carols and general assembly performances we have been reminded again how popular, effective, versatile and easy to use our Choir Riser systems are. See our feature on page 2 and we are only too happy to arrange your free quote. For all timber finishes we are now able to offer a variety of wood stains to maximise the impact of each beautifully crafted stage. See some of the wonderful colours we now offer – or we can work with you to create your own unique finish.

Please read and enjoy our Connect 6. We look forward to working with you to create your own unique Staging or Choir system.

## THE MALTESE ASSOCIATION

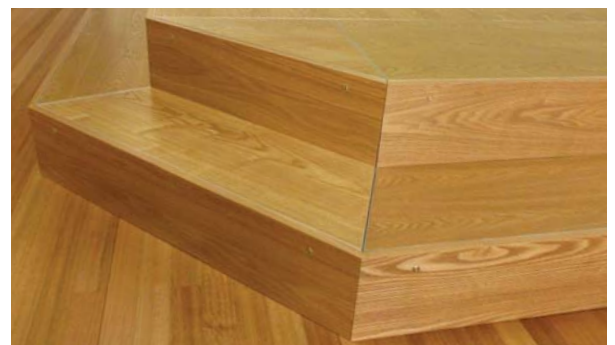

# AT LAST – A STAGE TO BE PROUD OF!

**Select Concepts are honoured to be able to work with the Maltese Association to bring to fruition their dream of a new multi purpose stage at their Hobsans Bay Neighbourhood Centre.**

The Hobsans Bay Neighbourhood Centre is a council owned building which may be shared with other users. The brief was to give the new stage a permanent look but ensure it was also easily dismantled, portable and compact for storage if required. Last month we installed a custom size, 5.7 x 2.65 metre, Quattro timber stage deck with timber front facing and a surrounding timber step. All built using our unique Quattro aluminium frame and leg stage system. The timber finish adds a flawless continuation of the existing timber flooring.

The Maltese Association is involved in promoting the Maltese language, heritage and traditions. They deal with the challenge that Maltese community organisations throughout Australia have been facing in maintaining awareness and involvement with all aspects of Maltese heritage and culture with new generations of Maltese youth.

The installation of the new Select Concepts Quattro stage has allowed the Maltese Association to involve all members of their community in a rich and diverse selection of activities.

# Product Spotlight

## RAISE YOUR VOICES AND BE HEARD

**Your talented choir, band or orchestra deserve to be heard and seen to maximum advantage.**

Does your stage or choir riser still perform to its best? We can help. Select Concepts now offer a choice of 2 Choir Riser systems. They are portable, affordable, efficient and easy to erect and store.

The QUATTRO Choir Risers can be tailor made to suit your requirements. Standard size Decks are 2 X 0.5 metre and 1 X 0.5 metre - the ultimate Portable Choir Riser system for all applications. Choose between a range of wood stains or carpet colours (3 year guarantee on carpet). This Australian made system offers a 10 year guarantee on all frame and aluminium components.

The PILOT Choir riser kits can accommodate from 50 to 135 students – available in either straight or curved formats, the decks are available with a choice of stained timber decks. Standard kits are 2 or 3 rows – kits with 4 rows and more come complete with full hand-rail guarding for protection against falls. We offer a unique guarantee of 2 years on the Pilot system. Being Australian Made we are able to customize specifications and sizes to suit individual user's requirements. Every Choir Riser comes with a storage trolley kit so storage and manoeuvrability is completely stress free. Not sure if you can manage a Select Concepts Choir Riser? Go on line and view our new Choir Riser-Video and see for yourself how simple and easy it is to showcase your talents to the world. <http://www.selectconcepts.com.au/videos.html>

## NEW Stage Wood Stain Colours!

Select Concepts are pleased to introduce 2 new exciting colour choices in the Polished Timber Decks for both QUATTRO and PILOT Stage systems. We now have Natural (highlights the beautiful grain of the Beech veneer) and Red (add drama to your Stage – Red incites Passion!) plus our tried and true Black (ever elegant) and Brown (a good choice in rooms with different timber colours). We welcome your suggestions to customise colours to your requirements. The QUATTRO Stage also offers a further choice of Carpet colours – refer to our website for a full colour chart.
