

## Welcome...

... to the 7th edition of our quarterly Connect Newsletter. It is extraordinary how often we are reminded of the importance of Australian owned and made. At Select Concepts we are firm believers in the quality, durability, strength and dependability that Australian made products promise customers. We design and manufacture our own staging products – plus source quality materials from the best of Australian suppliers. Our Select Concepts staging products are guaranteed and we always honour our commitment to provide honest informed customer service. So, a big thank you to all our loyal customers who believe in our principals of providing quality strong Australian made products and dedicated customer service.

In Connect 7 we feature a remarkable group of talented people – The Mackay Choral Society and their purchase of a customised Select Concepts Pilot Choir Riser. Plus, we again showcase the popular QUATTRO “Fold & Roll” – a stage compact, strong and easy to operate by only one person. Need a stage but unsure how our Staging Solutions will work for you? Then why not hire and see how great our QUATTRO and Pilot Staging solutions really are?

Thank you and enjoy your Connect 7 newsletter from Select Concepts.

## “THOSE WHO WISH TO SING ALWAYS FIND A SONG”

### MACKAY CHORAL SOCIETY SING TO THE HEAVENS WITH THEIR NEW PILOT CHOIR RISER FROM SELECT CONCEPTS.

Every choir needs to be heard to the best advantage and let's not forget the importance of being able to see the conductor. With this in mind The Mackay Choral Society have recently improved their ability to perform with the purchase of a customised 3 Tier Pilot Choir Riser. The Mackay Choral Society's 3 Tier Pilot Choir Riser was customised entirely to be suitable to their exact needs with an elegant black timber deck, safety rails, added ½ decks and steps to increase the number of levels and curve inserts to enable the Pilot Choir Riser to angle inwards at each end. Our unique Pilot Staging System allows The Mackay Choral Society to use a portable, compact and easy to use Choir Riser wherever they perform.

The Mackay Choral Society is made up of about eighty men and women from diverse walks of life who share a passion for singing a repertoire encompassing everything from Baroque to Jazz. They regularly provide outstanding choral performances to the Mackay community at venues as diverse as concert halls to open-air festivals.

Including the youth of Mackay in the joys of choral singing has proved successful as in February 2013 they created a youth choir called “A-Choir'd Pitch”. This new vocal ensemble, made up of children aged 8 – 18, is an excellent opportunity for individual members to develop and nurture their vocal technique, cultivate a greater understanding for musicianship and to sing confidently in harmony, all whilst working towards

various performances.

The new Select Concepts Pilot Choir Riser has already served the Mackay Choral Society well with many acclaimed performances in concerts and competitions.

Plus, they are currently busy rehearsing and preparing for a major concert on December 1st to be held at the Mackay Entertainment Centre called “Legendary”. The choir will be covering many contemporary artists such as Kiki Dee, John Farnham, Queen and Billy Joel – an extravaganza of musical styles.

For an opportunity to delight in the pure sound of such beautiful choral singing performing on our unique Pilot Choir Riser or if you wish to join this acclaimed and friendly choir, please go online to their website [www.mackaychoralsociety.org.au](http://www.mackaychoralsociety.org.au).

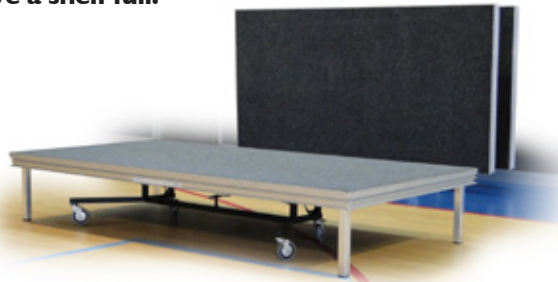

With a customised Select Concepts Pilot Choir Riser the Mackay Choral Society will always have the songs heard and enjoyed.

# Product Spotlight

## A PERFORMANCE WINNER IF ONLY A STAGE COULD WIN AN "OSCAR"!

If a stage could win an "Oscar" then our Select Concepts QUATTRO "Fold & Roll" would have a shelf full.

We released our successful QUATTRO "Fold & Roll" stage only a few short months ago into a market in desperate need of a portable, compact and easy to use stage. The QUATTRO "Fold & Roll" is the proven solution for a growing list of customers who require a stage that is fast and easy to erect and store. In fact it only takes one person to operate the QUATTRO "Fold & Roll". The complete unit is simply wheeled along on its easy glide castor wheels into position, the wheels are locked and the stage deck is lowered. The gas-struts make lowering and raising the deck a smooth operation. Our unique Australian design eliminates pinch points, heavy lifting and the need for more than one person to operate the QUATTRO "Fold & Roll". Once the stage is no longer required, storage is not an issue as the stage deck units store upright slotted compactly together. The QUATTRO "Fold & Roll" comes with many options designed to personalise your stage for your unique requirements.

- Choose either a Carpet or Wood Stain finish – variety of colours in each
- Standard Stage Deck is 240 x 120cm – variety of Podium sizes
- Soften the Stage with Valance Curtains – many colours available
- Add your school/company Logo – we embroider to order
- Add steps and handrails
- Add a Disabled Ramp system

**With an "Oscar" contender like QUATTRO "Fold & Roll" your performance will always be a winner.**
